Mercedes-Benz winter product line.

## Added safety at sub-zero temperatures.

The unpleasant companions for your Mercedes in winter are frost, ice and snow. With the help of the Mercedes-Benz genuine car care products in the winter line, most of the time these can be simply swept aside.

### WinterFit windscreen washer concentrate

- Prevents streaks, freezing nozzles and freezing washer fluid on the windscreen
- Quickly and thoroughly removes grime such as oil, soot and salt
- Gentle and unscented

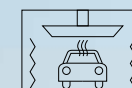

**Part no. A 002 986 14 71 09**

### Window defrosting agent

- Reliable protection against visibility impaired by ice
- One application removes ice layers up to 0.1 mm thick even at minus 15 °C (5 °F)
- With anti-misting effect for long-lasting protection

**Part no. A 000 989 18 25 09**

Tip: Select a car wash programme with a drying phase at sub-zero temperatures. This prevents vehicle components from freezing. Please remember to always carry the lock de-icer with you outside the vehicle.
